Dear Families

It is wonderful time to help the less fortunate at Christmastime.

The LeDonni Family (*Circle of Friends Alumni*) has invited Circle of Friends to be a part of their wonderful Christmas tradition of donating and delivering toys and items needed for Pediatric Specialty Care Facilities. The LeDonni Family organizes the collection of items and then spends Christmas morning at the Point Pleasant Pediatric Specialty Care Unit with the residents and staff. Last year with the help of Circle of Friends and The Anchor Church, the LeDonni Family delivered over 475 donations!

Pediatric Specialty Care Facilities provide care for medically fragile and technology dependent children ranging in age from infants to 21 years of age. This year Circle of Friends and The Anchor Church are privileged to provide items for the Doylestown and Quakertown Facilities. These facilities both house 6 children.

Below is a list of the requested items. Kelly LeDonni has set up a "Sign Up Genius" to organize donations. Please visit this link if you would like to participate:

(A direct link is accessible from our website www.cofpreschoolnewtown.org)

All donations must be dropped off by Monday, December 17th in the collection basket in the vestibule. If you have any questions, please email Kelly Kelly@creativemms.org

Thank you Kelly LeDonni for giving Circle of Friends the opportunity to come together as a community and join your family's wonderful Christmas tradition!
